Forecast For East Midlands
Issued by Met Office Exeter
at 0400 on Saturday 06 Nov 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry morning, outbreaks of rain spreading southeast later. Rather windy.

Today:
Dry with bright or sunny spells this morning. This afternoon rain will quickly reach the Peak District, locally heavy here, before spreading across remaining areas through the afternoon while becoming light and patchy. Mild and becoming rather windy. Maximum temperature 13 deg C (55 deg F).

Tonight:
Cloudy with patchy light rain and drizzle initially, before largely dry conditions with broken cloud quickly spreads southeast. However, a few showers may arrive, mainly across the Peak District. Windy. Minimum temperature 6 deg C (43 deg F).

Sunday:
Mainly dry with patchy cloud and sunny spells, perhaps some early showers across the Peak District. Windy, especially over high ground and along the Lincolnshire coast. Temperatures close to average. Maximum temperature 11 deg C (52 deg F).

Outlook for Monday to Wednesday:
Bright but cold start for Monday, then becoming cloudy with outbreaks of rain. Lighter winds. Tuesday and Wednesday will be milder, cloudy, with spells of rain at times.
